

University of Padova

**ITLL SUMMER
SCHOOL 2024 - 3RD ED.**

NFTS, METaverse, AND THE LAW

Dive into the hottest tech trends of the 21st century! The NFT revolution and the Metaverse are changing the way we live, work, and play, and understanding the legal intricacies is crucial.

Why is this a MUST-ATTEND event?

1 **Master NFTs:** Learn how to create, trade, and protect your digital assets in the world of Non-Fungible Tokens.

2 **Explore the Metaverse:** Journey through virtual worlds, grasp the opportunities, and navigate the legal landscape.

3 **Expert Speakers:** Connect with industry leaders and legal experts who are shaping the future.

4 **Legal Insights:** Discover the laws, regulations, and ethics surrounding NFTs and the Metaverse.
